

INTERACTION DESIGN 2017

PROTOTYPING 2

GETTING STARTED

Goals of Today:

1. Get to know Justinmind
2. Start working with the new program
3. Build a log-in screen with credentials to access your app

JUSTINMIND

DOWNLOAD: <https://www.justinmind.com>

TUTORIALS: <https://www.justinmind.com/support>

TASK: Find the example for the log-in task on the medien ifi webpage (at breakout session 06)

TODO

TASK TODAY:

Learn how to work with Justinmind

HOMEWORK:

Start working on our own high fidelity prototype
